

FERRARI COLOR[®] HEADQUARTERS

1550 S GLADIOLA ST UT 84104
(3400 WEST)
SALT LAKE CITY

Open date scheduled for **SUMMER OF 2004.**

A little over five miles and less than ten minutes from our current location.

AFTER MANY SUCCESSFUL YEARS AT OUR CURRENT LOCATION, FERRARI COLOR HAS DECIDED TO EXPAND OPERATIONS.

WHY ARE WE MAKING THE MOVE?

- Faster production times
- More space to provide new products and services
- Better layout for large and supersized projects
- Quicker shipping capabilities
- Easier freeway access
- Less traffic
- And more parking...a lot more

WILL THERE BE A DOWNTOWN LOCATION?

While our new location is only a few minutes from downtown and we are planning to increase downtown pick-up and deliveries, we are still considering a downtown presence. We will keep you updated.

WHAT SIZE IS THE NEW HEADQUARTERS?

By moving to the new location Ferrari Color will consolidate all of their departments into one 50,000 square foot building. Currently Ferrari Color Salt Lake City is housed between two locations: a 15,000 square foot office, and a 15,000 square foot warehouse.

FERRARI COLOR WILL CONTINUE TO OFFER:
